Expand BannerStand

Expand BannerStand is specially designed for companies that want a flexible system that can be tailored to different needs and requirements. With Expand BannerStand, you can create exciting meeting places with your customers quickly and easily – wherever they may be. Use your creativity and imagination to arrange both expected and unexpected meetings with your target audience.

Expand BannerStand is available in a variety of sizes, with or without lighting, and comes in a practical, lightweight nylon bag.

Its clever design allows you to assemble and disassemble Expand BannerStand in no time at all. And it also makes it very easy to alter your message. This is probably why Expand BannerStand is one of the market's most useful and flexible means of communicating your message.

Width: 40, 60, 70, 80 and 100 cm. Height: 140, 180, 220 and 250 cm.

Large images attract attention. The unique magnetic tape allows you to combine several Expand BannerStands seamlessly.

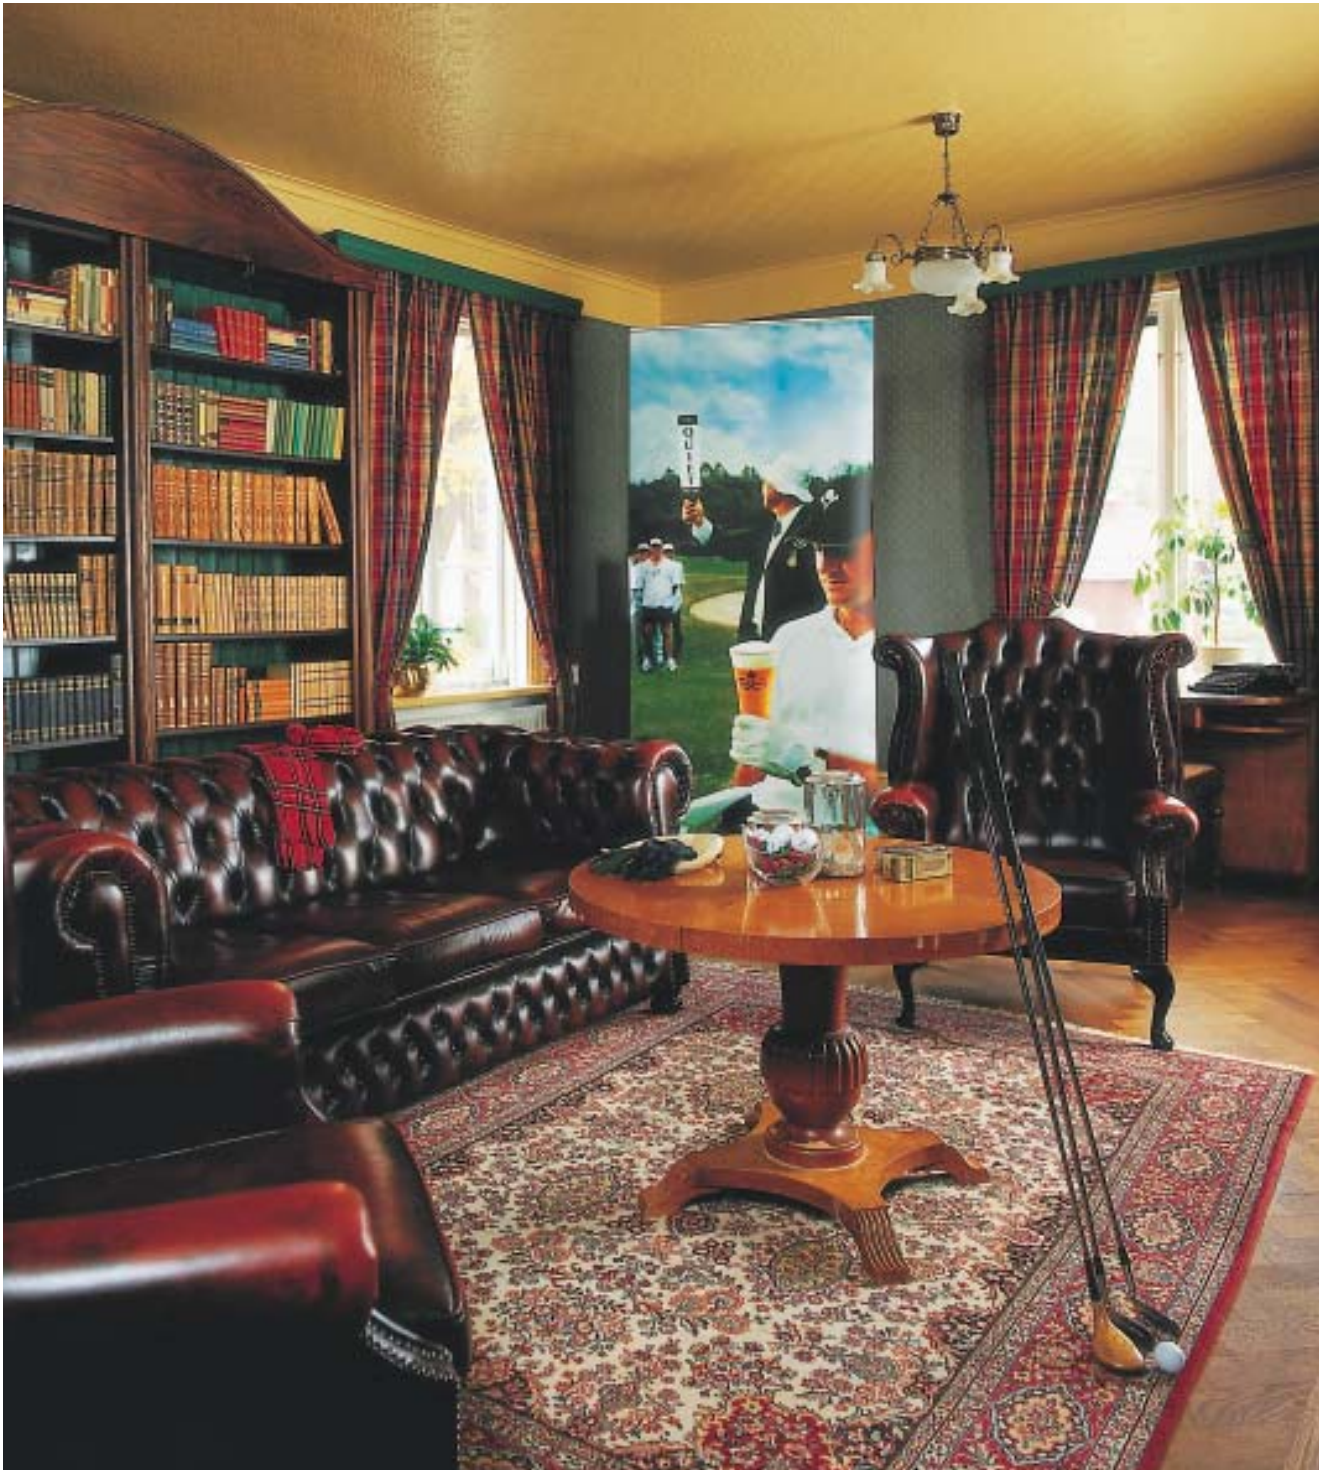

Expand BannerStand is available in a variety of sizes. Simply choose the most suitable size for your marketing requirements.

Look up! A special modification of Expand BannerStand will "lift" your message from the floor. The frosted surface is particularly useful when you want to display your logotype.

Display: 70x70, 70x100, 100x100 and 100x70 cm. Height: 140 cm.
